## **Evidence-Based Practices (EBP)**

Review of Host Team's Report (*Attach EBP checklist to report*)

Level determined by Host Team (0, I, II, III, IV): \_\_\_\_\_

Comments (brief descriptions of findings; challenges to achieving evidence-informed or evidence-based practice, strengths):

Describe any plans to move to increase level of evidence-base:

Learnings from host team's EBP checklist that can be applied to guest team's program.

## **Outcomes Evaluation**

Review of Host Team's Evaluation report

*(If Outcomes Evaluation is with a tool other than the Family Support Program Outcome Survey, please attach report to this document—report may be the data downloaded).*

Discuss areas in which Host team feels they are strong.

In what areas do we need improvement?

Why? Analysis of results.

(Fidelity to model, staffing patterns, services responsive to participants' needs, Were the right evaluation questions asked? etc.)

Action steps to adjust services based on evaluation results.

Learnings from host team's outcome evaluation results that can be applied to guest team's program:
